The Serenity Prayer

God, grant me the serenity
To accept the things I cannot change,
Courage to change the things I can,
And wisdom to know the difference.*

Recovery through Steps Step Two: Came to believe that a Power greater than ourselves could restore us to sanity.*

Unity through Traditions Tradition Two: For our group purpose there is but one authority--a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants--they do not govern.*

Service through the Concepts Concept Two: The Al-Anon Family Groups have delegated complete administrative and operational authority to their Conference and its service arms.*

District News

Many ways remain to help the district. Pick one. Just one. And enlist a friend to help if you want:

Make sure a newsletter goes out monthly. Or more often, if you like!

Provide the monthly fellowship information package to groups who are hosting a monthly fellowship and keep track of which groups have volunteered for which month.

Get the al-anon message out to the public when the weather turns good and events start happening.

Help make sure Alateen members are safe and our processes for training AMIAS are in place.

Help make sure the office phone gets answered and callers get the information they need. You don't need to do this yourself, just coordinate those who DO! From home!

Help Alanon outreach to institutions, prisons, recovery centers, and hospitals.

Make sure groups that need statements of insurance statements for their host/landlord actually get them. Not much to do for a few months yet, but key to the running of the district.

Pick one: most take 2 to 4 hours per month and, for those who want one, include a title. You do not need to have been or be a group rep. You do not have to be on your twelfth step to carry the message to others or to practice the principals in all your affairs. Service sponsors and guides are available for each position.

Thank you!
